Hitting Camp Focus

This is a 6-day hitting camp where all campers will receive high-level instruction on their personal swing. We will focus on proper hitting mechanics, fundamentals of hitting, approach at the plate, mental side to hitting, and will instill a hitting philosophy for campers. Along with this, all campers will receive a camp t-shirt.

Hitting Camp Features

All athletes will gain knowledge and experience through one on one interaction with Vallivue coaches and current Vallivue High School baseball players, video analysis, exit velocity, drill work, and a personal hitting assessment of each athlete's swing. Each hitter will leave the camp feeling confident on their individual approach and will have drills to keep working on their swing.
